EXPERIENCE

08/2024
06/2025
Peru

– **Operations & Strategy Project Lead** — **Keen/HL**

- Designed and implemented end-to-end commercial and operational processes, establishing efficient frameworks for large-scale project execution.
- Directed cross-functional teams to deliver high-impact activations, ensuring alignment with corporate KPIs and budgetary constraints.
- Negotiated and managed relationships with strategic stakeholders to drive market positioning and business growth.

01/2022
03/2024
Chile

– **Regional Operations Manager (LATAM)** — **Treid Chile**

- Led the restructuring and unification of operational units across two countries, aligning logistics and procurement with commercial needs.
- Oversaw a direct team of 26+ people and variable resources across multiple regions, ensuring high-quality execution in retail and traditional channels
- Standardized work models and documentation, improving operational scalability and project profitability by overhauling internal reporting.
- Developed a data-driven recruitment strategy using social media, optimizing talent acquisition for field operations.

10/2019
12/2021
Peru

– **Business Operations Analyst/Head Operations of Peru** — **Treid Peru**

- Managed the implementation of Power BI for all departmental reports, enhancing data visualization for executive decision-making.
- Produced performance reports for the Board of Directors, providing actionable insights for strategic planning and resource optimization.
- Optimized operational workflows, reducing bottlenecks in the supply chain and point-of-sale execution.

05/2018
07/2019
Peru

– **Planning & Control Analyst** — **Canvia**

- Monitored business unit P&L and budgets, delivering monthly financial performance reports for senior leadership.
- Analyzed KPIs and financial deviations (forecast vs. YTD) using Tableau and Oracle EBS to back strategic decisions.
- Implemented process improvements that optimized Capex/Opex projections and reduced labor costs.
